CHRISTIAN STORES

Celebrate National Coffee Day on Sept. 29!

Using global industries for a global mission.

Kingdom Growers started in 2014 and has grown to involve hundreds of farmers, producers, and missionaries in many countries. Their coffee comes from cooperatives that help farmers by sharing Christ with them, training them, and helping them keep as much of their proceeds as possible. There are many flavors available at LifeWay stores. Explore to find your favorite!

Learn more about their mission at KingdomGrowers.com.
